(Special to the Bulletin)

William, Oct. 15—Manager Bill O'Leary's Norwich Kaceys made it three straight in Eastern Connecticut's "little world's series" by taking the American Thread A. A. all-star outfit into camp at Recreation Park yesterday afternoon in the presence of the largest crowd of the season, estimated to be about 3,000 souls. Gary Fortune of the Springfield Hampdens was the fair-haired boy who turned back the locals at every angle. Frank McGowan of the Philadelphia Athletics cracked the first ball Fortune pitched to right for a single but thereafter the Threadmakers could do nothing with his delivery. Sammy Massey received credit for a scratch hit in the seventh when he hit on the box for Shay that could not be fielded. This was all the locals could do in the hitting line and which is generally known is not conducive to winning ball games. Fortune sent back eight of the local would-be-Smiths on strikes and fanned only one pass which was to McGowan to start off the last of the ninth. Violence of a local rally soon ended, however, as "Hittin' Schme" went out to the pitcher and Connolly lined to Bowman and McGowan was doubled at second. Reggie Naylor of Connie Mack's stable of hitters did well in the box for William. Bowman doubled and Joe Congrove singled in the second with none down but Naylor made a good play to force Bowman at third on Schmehl's bunt. He then got the ball from Schmehl and Schmehl forced Schmehl at second. In the eighth, however, Norwich broke the ice. Schmehl and Fortune singled and Martin doubled through Adams. After McKay was thrown out by Hamel, Shay singled to left scoring Fortune but Martin was caught at home on a swell pop by Brick Kane. This was all, but it proved to be enough. The visitors got to Naylor for eight hits, including a brace of doubles. He fanned six and walked none. There were a number of fielding features. Heinie Scheer scuttled at third, for the locals, making an unneeded, but that were some of the first water. Jocko

## CUBS WIN CITY SERIES FOR FIRST TIME SINCE 1909

Chicago, Oct. 15—Grover Alexander today white-washed the White Sox 2 to 0 and won the city series for the Cubs. The Cubs won four games to the White Sox in three series. The victory of the Cubs today is the first since 1909 when the White Sox won the title and retained it until today. The game, the seventh of the series was a pitching duel between the Cub star and Dixie Leeverette, the former out-pitching his youthful rival. The break came in the sixth inning. After two men had been retired Leeverette wavered and walked Grimes, Heathcote, replacing Barber who had been ordered out of the game for protesting a decision of Umpire Hart, unneeded, a single to right sending Grimes to third. Miller drove Grimes home with a smash to right which was enough to win for Alexander. The Cubs, however, put another run across in the seventh. Alexander started it with a single to left and rapped home early on Statz's double off the left field bleacher fence. The Sox failed to hit when they had men in position to score as the great Alex tightened up, and his mates performed in grand style behind him in the pinches. Bob Falk and Amos Strunk of the White Sox will join the ball players here tonight for a tour of the Orient. Score:

## JAIL HILLS AND EAST ENDS

Before a fair sized crowd the Jail Hill A. C. eleven and the East Ends of New London battled to a 6 to 5 tie in one of the best games ever seen at Mohegan Park Sunday afternoon. Although slightly outwitted the Jail Hill boys fought gamely and on a long forward pass scored their first and only touchdown in the first period. Neither scored in the second period but in the third the East Ends started an actual attack that netted them a touch down tying up the score. From then on it was a stubborn game neither team being able to advance the ball to within striking distance. The local team plays at New London next Sunday.

## DAUPHIN WINS BUT IS THEN DISQUALIFIED

Paris, Oct. 15—Dauphin, a British owned horse, today easily won the Municipal council stakes at Longchamps, which was the feature event of the programme closing the Metropolitan Flat racing season for 1922, but Jockey Sharpe could not make the required weight after the race and was disqualified, and Pringle declared the winner. The purse carried \$25,000 francs. Frank O'Neill, the American jockey, who rode Algerien in the race but failed to get a place, leads the jockeys on the French turf for the season with 25 winners to his credit. Frank MacGee, another American, ranks second to O'Neill.

## SIKI TO FIGHT BECKETT NEXT MONTH

Paris, Oct. 15 (By the A. P.)—The next fight in which Battling Siki will take part will be a fight for the London November 23. On that date the Senegalese conqueror of Georges Carpentier will meet Joe Beckett, the English heavyweight, in a twenty round battle for the heavyweight championship of Europe.

This was decided on today when Major Arnold J. Wilson, the English promoter of boxing contests, obtained the signatures of both M. Hellera, Siki's manager, and Beckett in London under which Siki will receive 4,500 pounds for his end of the purse. Siki returned to Paris from Holland this morning and had a long talk with Manager Hellera prior to the signing of the contract. The difficulties which had threatened to separate the manager and the fighter had been smoothed over by an announcement that the French boxing federation was inaugurating an inquiry as to why Siki obtained only 75,000 francs as his share in the purse for fighting Carpentier, when the winner's end was advertised to be 200,000 francs.

Siki has signed a contract with Hellera, who is charged with the task of looking after the affairs of the Senegalese fighter until May 30, 1923. Hellera, not having heard definitely from Tex Rickard, who had been asked to conduct the fight in the United States, decided to accept the offer of Major Wilson for a bout in London with Deckett, who last Thursday night in the English capital strove away Frank Moran the American heavyweight, in seven rounds.

Siki is bubbling over with confidence in his ability to defeat Beckett, and he appears to be determined to fight for a fight. He told the correspondent today that he had turned over a new leaf, and that hereafter he would eschew his erstwhile favorite tripping.

An indication that Siki is at present treading the straight and narrow path were the words used today by the Dutch fighter Vanderveer. "Siki" said the Dutch heavyweight "is as dry as America."

Siki is considerably heavier today than when he met Carpentier three weeks ago. Since that time he has added nearly seven pounds to his avoirdupois. Today he told the correspondent he weighed 180 pounds, and that he had decided henceforth to fight at this poundage.

The African fighter does not conceal his lack of desire to meet Harry Wills or Kid Norfolk, the American negro fighters, but through Hellera he has expressed a wish that "my comrade" over Beckett shall be considered sufficient qualification to meet Jack Dempsey.

## LEADER IS MAKING GOOD

AS YALE BOOING COACH  
Ed Leader, who came out of the West to save Yale's aquatic reputation, has made a big hit here and his businesslike methods and sound coaching sense have made him the host of warm friends among the graduates and students of the university. Disposing of Harvard doesn't seem to be a hard job for Yale crew coaches. It's the early season race, three times has been falling down on, but Leader believes that the old line which has followed Yale for years over the shorter courses, will be chased for good next Spring.

Leader has picked the following two crews as the whites and blues, the former being quite generally recognized as the first variety.

Whites—Stroke, Ewing; No. 7, Haines; No. 8, Rockwell; No. 9, Goodwin; No. 4, Sheffield; No. 3, Bigelow; No. 2, Captain Pelly; bow, Little; oar, Stoddard.

Blues—Stroke, Richards; No. 7, Ellis; No. 8, Sage; No. 9, Harmon; No. 4, Roder; No. 3, Carpenter; No. 2, Kives; bow, Davidson; oar, Barnard.

Charles White of Chicago and Sid Marks of Canada have been expected to meet in a twelve-round bout on October 20. Marks is the latest sensation among featherweights. He recently knocked out Bobby Barratt.

# VOCATIONAL OUTPLAYS ACADEMY AND PILES UP 29 TO 0 SCORE

(Special to the Bulletin)

Outplayed at every stage of the game the Academy eleven was held scoreless Saturday afternoon on the Academy Campus by the fast heavy Vocational School team which waded through and around the Academy team for a total of 29 points. With a team that outweighed the local team the Vocational boys had a pretty much their own way during the first part of the game but in the second half the local players seemed to collect themselves and the game was good.

The Vocational team started off with a rush, hammering and battering their way through the Academy line for two touchdowns in the first quarter. The second quarter was much the same as the first, the Academy boys being unable to halt the onrushing Whalers. One touchdown was made in this quarter.

After the first half the Academy returned to the game with new spirit and the rushes of the Vocational warriors was checked. While the Academy was unable to make much headway against the New London line they at least held Springfield 24, Carnegie Tech 7, Holy Cross 14, Villa Nova 6.

Neither Army nor Navy was greatly impressive in their game Saturday. In both of which they came from behind to win, the former over Alabama Poly 19 to 7, and the latter over Bucknell 14 to 7. The Navy game was a smooth affair, but last week the Cadets were completely outplayed until the last period.

Where a forward pass lost for Colgate at Princeton, the aerial game won for Penn from Maryland. An intercepted pass grabbed by Jack Cleaves, Princeton halfback, which he converted into a 70-yard run, turned the trick for the Tigers, and consistent passing was Penn's main factor.

The outstanding feature of the Saturday's games was the spectacular playing of Leland Parkin, who succeeded Aubrey Devine as Iowa's quarterback. He scored the winning touchdown, and made amazing end runs, line plunges and forward passes.

## MORLEY GETS 90-DAYS

HITTING REFEREE MORAN  
Mike Morley, pugilist, was suspended from engaging in any ring activity in Connecticut for ninety days following a hearing by the state athletic board at the capital Saturday afternoon.

The suspension came as the result of Morley's attempt to hit the referee of the New London fight last week following the decision of that official that Palitz had won the encounter on points.

Morley pleaded guilty and after hearing the promoters and others who were at the fight, the board announced its decision to suspend the Frog Hollowite. The suspension will knock Morley out of several fights, as simultaneous with his set-down in Connecticut, boxing boards of other states will also suspend him.

## SATURDAY'S GRIDIRON BATTLES

**Yale Loses to Iowa**  
Yale Bowl, New Haven, Conn., Oct. 15—Yale blighted Yale's hopes Saturday when, before 40,000 spectators, they sent quarterback Parkin around left end for the only score of the matinee in the early minutes of the second period.

Yale was dangerous only at the outset when Iowa fumbles kicked the Elis with the ball at the Westerner's 20 yard line. Yale made a desperate rally in the final five minutes of play when line smashes by Wright and Neldinger landed the ball to Hollander's 5-yard line where on fourth down, Wright heaved a forward pass which went incomplete behind the Iowa goal.

The visitors outplayed Yale through out the game, but in the fourth quarter, when attempted field goals by Minnick went short and low.

## FOOTBALL INTEREST TURNS TO CENTRE-HARVARD GAME

New York, Oct. 15—Still feeling the effects of last week's loss to Yale at New Haven Saturday, eastern followers of football are turning toward the tussle at Cambridge next Saturday, when another east-west struggle takes place—that between Harvard and Centre.

Both of these games, the Iowa-Yale and the Harvard-Centre, have an important bearing on the annual tussle between Yale and Harvard which is without doubt the climax of the sport's eastern season.

Should Centre defeat Harvard, as it did last year, Yale's loss to Iowa would affect the big game so much, but it will be further proof that the gridiron game of the west is somewhat better than that of the east, as Chicago last year and Iowa this year have about proved.

Harvard won from Bowdoin Saturday, piling up 15 points and keeping Bowdoin away from the Crimson goal. It was a late field goal that turned the tide, a drop-kick at the 35-yard line that won 9 to 6.

Neither Army nor Navy was greatly impressive in their game Saturday. In both of which they came from behind to win, the former over Alabama Poly 19 to 7, and the latter over Bucknell 14 to 7. ## Wesleyan Loses to Columbia

New York, Oct. 15—In its New York debut, Wesleyan put up a brave but losing fight against Columbia and suffered its first setback of the season, 19 to 0. It was a fast, snappy battle, that kept 18,000 football lovers on their toes maddly cheering most of the game, but the seven-point handicap Wesleyan suffered by virtue of an early mislay could not be overcome.

Seldom have two teams taken the field on different tactics and technique and yet so evenly matched. What Wesleyan lost by being out-weighted it made up for excellent choice of play. What Columbia lost by being outplayed by Wesleyan's tie it made up for greater rush power, scoring fourteen first downs to Wesleyan's seven.

## Vermont Is Victor

Burlington, Vt., Oct. 15—Winning by a single touchdown the University of Vermont took Bowdoin University into camp Saturday afternoon in this score during the contest, one coming near the end of the first half and the other with two minutes of the close of the game. The first opportunity which offered itself to Bowdoin was cut short by the whistle closing the first half. In the last half Bowdoin came to score was spoiled by an intercepted pass. Vermont's touchdown came in the second quarter when the green and gold Artie rushed the ball down to the ten-yard line on short rushes. Farnall took the ball over for the points. Driscoll dropped-kicked goal.

## Harvard Has Hard Time

Cambridge, Mass., Oct. 15—Harvard's varsity team, without the services of Capt. Buell, George Owen and Esley Clark, had a hard time against Bowdoin Saturday afternoon. While the Crimson eventually won 15 to 6, the only score in the first half was a short drop kick goal by Pfaffmann, who was having his first try at quarter. In the second half, however, the Cambridge team scored two touchdowns from neither of which was a goal kicked.

## Brown 6, Syracuse 0

Providence, R. I., Oct. 15—Brown 6, Syracuse 0. Tells the story of the terrific gridiron battle staged here Saturday afternoon by two eleven of equal calibre. Not hailed as one of the football classics of the season, the contest, nevertheless, developed into one of the heroic struggles that are usually associated with the latter days of the year when mighty teams are fighting for championships.

## Tufts Trims Williams
